

Camden County Schools Verification of Student Status

North Carolina G.S. 115C-366(a4) states that when a student attempts to transfer into a new school system, the local board MUST require the student's parent, guardian, or custodian to provide a statement made under oath or affirmation before a qualified official, indicating (1) whether the student is, at the time, under suspension or exclusion from attending a private or public school in North Carolina or any other state, or (2) has been convicted of a felony in North Carolina or any other state. This requirement does not apply to a student who has never attended or been enrolled in a public or private school in North Carolina or any other state. Thus, students enrolling in kindergarten for the first time are not subject to this requirement.

If a parent or guardian provides a school or the district office fraudulent information to obtain permission to enroll a student, the student will be **withdrawn** from the school immediately upon the discovery of the fraudulent information.
